May 11, 2022

To: All Dealers and Customers of Root Spring Scraper Co.

It is with great sadness and regret that Root Spring Scraper Co. must announce the immediate cessation of all business activities as of this date. We deeply regret any inconvenience this may cause.

Root Spring has made arrangements with our Michigan dealers for them to continue to manufacture Root parts and some units. To inquire about any available parts please contact Shults Equipment @ 989-875-4570. To inquire about further parts and some units please contact Heights Equipment @ 231-269-9300.

We at Root Spring would like to express our deep appreciation to our dealers and customers for the pleasure of our continued association over the many years. Our 131 years of business has been greatly enriched by all our valued friends and customers.

Respectfully

Bill Root
V.P. Operations
